Gus and Dan had a plan
to go on a trek at night.

Gus got a pack of things
for the trek. He got a
bright light to spot things
on the trek.

SAMPLE

Dan got the snacks. In
went the meat pie that Gus
might eat on the trek.

Gus had his light on. He tried to spot things that sleep in the day and hunt at night.

Gus tried to see up high
but his light was not that
bright.

Just then, the light went off
and Gus fell back on Dan
with a fright.

A black thing was on the
track right in front of them.
Gus held Dan tight.

Gus hit the light with his hand. It went on. “Hi Gus and Dan”. It was just Stan.
